

## **Playdough Recipe**

(Make sure that you use enough food coloring to make solid bright colors)

### **Ingredients:**

2 cup of white flour

2 cup water

3 tablespoons cooking oil

4 teaspoon cream of tartar

1 cup salt

### **Directions:**

1. Mix together and heat on low until ball forms.
2. Add drops of food coloring. Use as much as needed to make the colors bright.
3. Once cool, place in ziploc plastic bag.
